13th August 2023: R Pratyusha student from II MPCS recognized by the Centre as the Best Dancer in Thiruvananthapuram.

19-year-old's indomitable spirit shines bright in the realm of Bharatanatyam

R KALYAN KRISHNA KUMAR
in Mysore

In a world where talents often fade from the limelight, the story of 19-year-old R Pratyusha is a testament to the power of determination, passion, and unwavering support. Having grown up in the coastal village of Chinnappur in Anandavilassam mandal of Srikanthapur district, Pratyusha's journey from an underprivileged background to becoming a shining star in the realm of Bharatanatyam is both inspiring and heartwarming.

As Pratyusha's skills blossomed and her dedication deepened, she embarked on a journey of performance that transcended geographical boundaries. From Thiruvananthapuram to Chennai, Thiruvananthapuram to Mysore, her graceful performances resonated with audiences far and wide. Her commitment and respect for her art led her to not only become a professional in Bharatanatyam but also a true disciple.

Pratyusha's remarkable journey of resilience, determination, and artistic excellence recently earned her accolades from unexpected quarters. The AP Housing Corporation honored her as the Best Dancer of 2023. Furthermore, the Union Ministry of Culture recognized her as the Best Dancer in Thiruvananthapuram, Kerala, solidifying her status as an exceptional talent in the classical dance arena.

Supported by her parents, Chinnappa and Rema, who worked as daily laborers, Pratyusha's dream of becoming a Bharatanatyam dancer was guided by the hands of Joyvika Sreeramachandran Murthy. Her innate talent and dedication were evident from the start, as she not only mastered the classical dance techniques with ease but also graced the stage in her first year, performing at the recent Anandavilassam Taluk Festival in Vijayanagara.

However, the road to success was not without its challenges. Pratyusha's journey was often covered by the media, and her mother's illness forced her to temporarily bid adieu to her beloved art. Yet, even in the face of adversity, Pratyusha's spirit remained unshaken. She continued to practice, honing her skills and maintaining an exceptional level of discipline. Her unwavering commitment to her art and her family's support were the pillars that sustained her through the toughest of times.

Pratyusha's journey is a testament to the power of resilience and the importance of family support. Her story is a source of inspiration for many, reminding us that with determination and hard work, dreams can indeed come true.

R KALYAN KRISHNA KUMAR

Not only exhibiting exceptional skills, but also embodying the spirit of determination and perseverance, 23-year-old Anusha Anand has been making strides in the realm of soft tennis.

Hailing from Lerola Garden in Vijayanagara, Anusha's journey began as a tennis player, but destiny had a different plan for her. She transitioned to soft tennis, a decision that proved to be a game-changer as the sport gained popularity in Andhra Pradesh after its introduction. Since then, Anusha has been on an upward trajectory, proving that when passion meets opportunity, greatness is achieved.

Under the guidance of the best Tennis Amateur Federation of India, she underwent coaching in Ahmedabad in Gujarat, which played a pivotal role in shaping her process to become a professional player.

At the 2022 Sunshang Open International Soft Tennis Tournament in Korea, Anusha's performance was exceptional, earning her a spot in the semifinals. Her coach, Naveen Kumar, commended Anusha's outstanding performance, noting her ability to adapt to different playing styles and her consistent focus on improving her skills.

Anusha's achievements have not only brought pride to her family but also inspired many young girls in Andhra Pradesh to take up the sport. Her story is a testament to the power of passion, hard work, and the support of a good coach.
