GUPPEDUBIYYAM-GOOD PRACTICE

- Students and staff of Department of zoology practicing – **GUPPEDUBIYYAM-GOOD PRACTICE**
- In this practice, students shall bring rice from their houses depending upon their capacity to donate, All the rice that is collected will be given to nearby old age homes or orphan houses along with fruits.
- On **19-02-2019** students and staff **AMMA PREMA ADHRANA SEVA SAMASTHA** in Singh Nagar Vijayawada-15 and donated **25 Kgs of Rice and Fruits** to old age home where 40 members are living.
- In this type of practice students will be able develop humanity in their life pattern and will be able practice the concept of live and let live.
- By visiting old age homes students will be able know the agony of the old aged parents who are suffering mentally that they are not able to spend their old age days with their near and dear ones and students will develop an inner feeling that they will not abandon their parents in their life specially in old age who needs support in their last days.
