DEPARTMENT OF COMMERCE

**Feedback Analysis Report on Curriculum for the
year2020-21**

Curriculum Design and Development is a significant process of developing appropriate need-based inputs in consultation with expert groups, based on feedback from various stakeholders. In this regard, the Department of Commerce provides the necessary arrangements for feedback responses from students, teachers, and other stakeholders on curriculum-related institutional processes. The ultimate aim of stakeholder feedback is to get useful insights for the purpose of improvement in all aspects of teaching, learning, assessment, and capacity. The curriculum, being one of the significant aspects of the teaching-learning process, needs continuous and periodical evaluation.

Students' Feedback:

Students' feedback is a prime factor for the enhancement of the learning environment and can help teachers to enhance their skills. It also nourishes teacher-student communication in the classroom and assists to achieve excellence in the teaching-learning process. Feedback from around 85(All Semesters) students of various Commerce programmes was collected in the academic year 2020-21

In this view, an effort was made to obtain feedback from Commerce students in the semester-wise feedback system
