“35th Vijayawada Book Exhibition Visit”

(An Experiential Learning –cum- Career Awareness Activity)

Date:07-01-2025

Vijayawada Book Festival Society organized 35th Vijayawada Book Exhibition at Indira Gandhi Municipal Stadium, Vijayawada from January 2 – 12, 2025.

A book exhibition is an event where a wide variety of books are displayed for students to browse and potentially purchase, allowing them to explore diverse genres, authors, and subjects, ultimately fostering a love for reading and expanding their knowledge base by exposing them to new information and perspectives beyond their usual curriculum; it's a valuable tool to encourage students to develop reading habits and discover new interests within literature.

Departments of Mathematics & Statistics were planned to visit 35th Vijayawada Book Exhibition. Smt. K.V Naga Lakshmi, HOD of Mathematics initiated the activity. First and Second year students of the Departments of Mathematics & Statistics visited the exhibition enthusiastically on **07-01-2025** from 3PM to 5PM along with the faculty members Dr. Rajanikanth, M. Sudhakar, K. Ashok and P. Ramesh.

Students visited various book stalls and observed variety of books like, academic, professional, cultural, etc and some of the students sold some needy books.

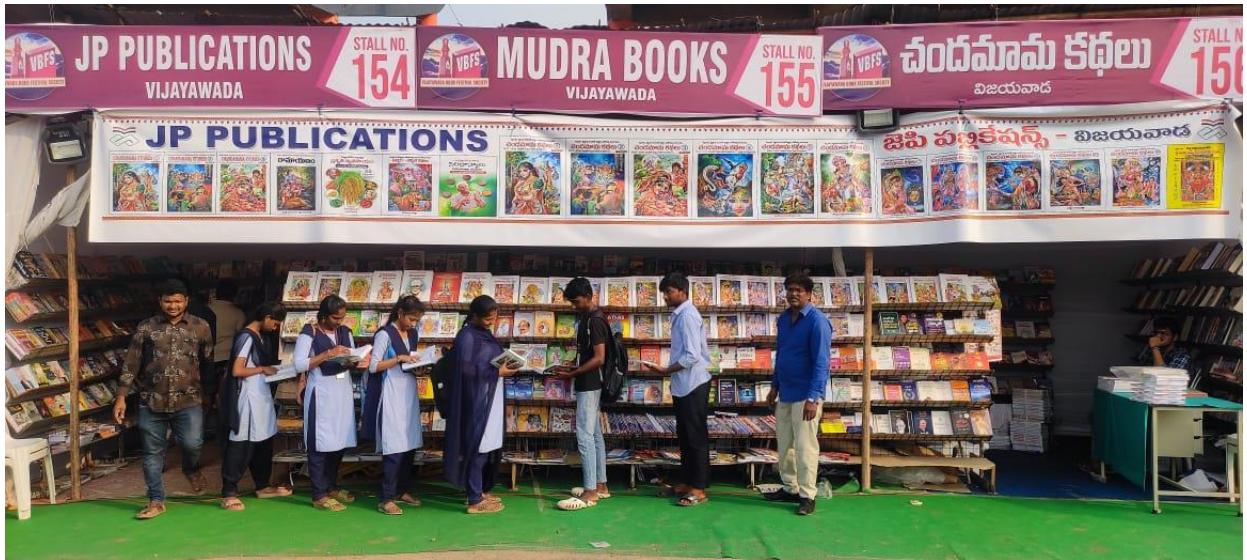

They visited specially “Census of India” stall and interacted with staff of the directorate, got awareness on career opportunities in their field. The staff of directorate, Census of Operations, India distributed census reports to the students.

No. of students visited: **32**

Out Comes:

1. Opportunity to observe a wide variety of books.
2. Increasing learning abilities through reading habits.
3. Awareness on career opportunities in the domain of Census of India.

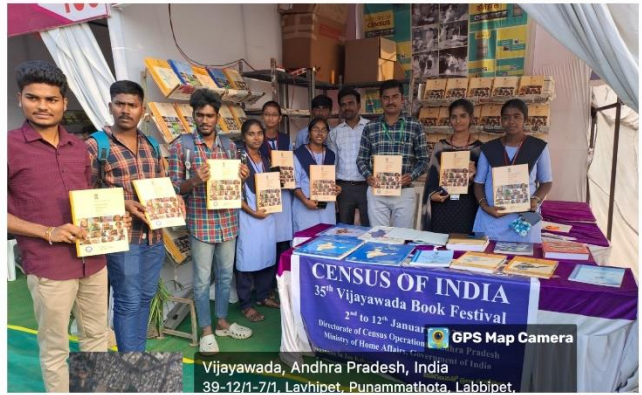

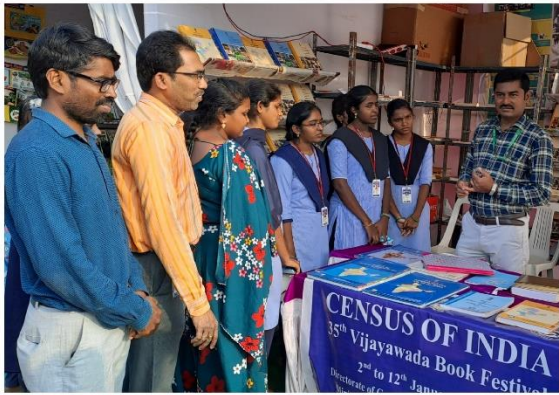

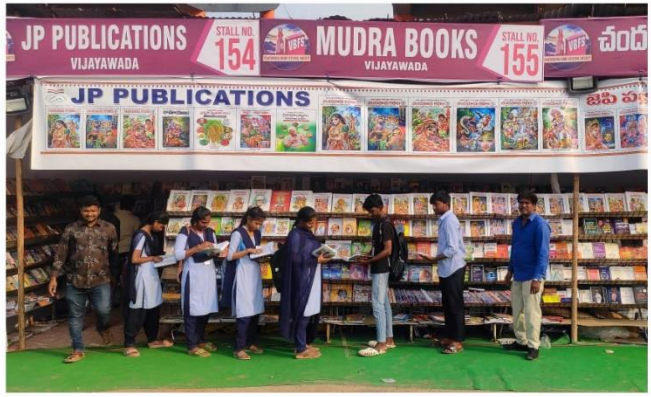

Observation of books at stalls by Students

Interaction with the staff of Census Operations, India and
Distribution of census reports to the students
